

Summary report on National Technical Evaluation meeting in Kazakhstan

The National Technical Evaluation meeting took place in Almaty, hotel “Tyan-Shan” on 9-10 of September. 100% of NTEC members participated in the evaluation of the sub-project proposals.

Sub-project proposals were sent to the NTEC members on the 12th of August, 2007. 37 sub-project proposals were sent to the NTEC members and administrative-finance assistant of UNDP. The total amount requested under 37 submitted project 1 mln 478 557 USD.

NTEC members had one month to review sub-project proposals till the 5th of September. In total 16 sub-project proposals for the sum of 713 611 USD have been approved by NTEC. 572 631 USD is approved for the projects focusing on highly vulnerable groups. 2 out of 16 were approved without comments and any conditions.

14 sub-project proposals were approved on the conditional basis the list of approved proposals are exhibited in the Annex 4 (list of sub-projects approved for financing).

NTEC members during the discussions and approval did not have among themselves major discrepancies. The major focus of the grant round was to fill in the existing gaps in service provision to the highly vulnerable groups.

NTEC meeting report has been signed by Belonog A.A. chair of NTEC as of 20 September. NTEC documentation have been formalized and finalized as of 15th October. The list of organizations recommended for approval have been submitted and was signed on October 10 for Mr. Dernovoi-Chair of the CCM, minister of health of Republic of Kazakhstan and RSC member.

Organizations, of which SSPs have been approved conditionally, have provided finalized SPPs and project implementation plans in agreed time and set forth deadlines.

The round-table on reaching and concluding framework agreements as well as to familiarize sub-recipients with RAF reporting procedures with sub-recipients of the second round has been conducted on 13-14th of October in Almaty, Kazakhstan. During these two days RPMU and sub-recipient organizations have finalized Framework agreements and all responding attachments.
